SUGGESTIONS

More Visitors- we have had a lot of visitors in the past year and will continue to do so in the future.

More Water Fights – We have as many water fights as we can, we just need to hope for good weather!!!

Eat Dinner Outside – This year we haven't eaten diner outside, we think that you need a break from the sun when your busy playing and there isn't a lot of shade outside. We will have picnics outside in the next few weeks.
