Wilkins Family Bereavement - A BIG THANK YOU.

We would just like to say a huge thank you for all your lovely kind messages of support and your understanding at this difficult time.

Topic

Our topic of 'people in our community' is going really well. We have had lots and lots of visitors in to talk to children about their job, had a trip to Southdown, and lots of craft and activities. See our website for all visitors and trips. We have many more visitors planned, more trips and a lot more craft, such a busy term. If you would like to come in and talk to the children about your job and how you work within the community- please speak to Abby to arrange a time. We are very flexible.

Summer Holiday Club

Watch this space. We are working towards a summer holiday club and finalising details. We will keep you up dated ASAP.

It is essential that you inform us by text, phone or email if your child/ren will not be attending club, as this is a requirement of our Safeguarding Procedure. We would advise that when you inform the school, you also send us a message too. On collection if your child/ren is not present, we will have to phone you to establish their whereabouts. Please see our website for Fusion's 'Late, Uncollected and Missing Child Policy'.

Family Passwords

It is essential that you are aware of your family password which you wrote on the registration pack. If a friend/family member comes to collect your child/ren and we are unaware of this arrangement, the person will be challenged and asked for your family password. We will only release the children if the person can give the correct family password. This password is unique to you and your family. Please see our 'Safeguarding policy' for more information.

Children's magazine

We are starting up a children's magazine, which the children will write/edit and publish with our support. If your child wants to be involved; drawing pictures/cartoons, writing blogs/columns or making up games then please speak to Abby.
