

Fusion Newsletter July 2015

Smartie fundraising for SPAWG (charity no 1161461) and Fusion resources.

All children have been given a smartie tube, once they have eaten all their smarties, they must do good deeds in return for a little bit of money. All children know what they need to do and parents have been emailed. We look forward to receiving the filled tubes of money. We are really looking forward to supporting SPAWG over the next year. Tubes returned by w/c 20th July 2015 please.

Sublime Science, by Kate (yr6) and Carla (yr5).

"On Monday 29th June a man called Steve came in to do some sublime slime with Fusion. We made some sherbet using bicarbonate of soda, citric acid and icing sugar. After we had made it we were allowed to eat it (it was very sour!). Then we made the slime! You had a choice of Pixie snot pink, Smurf snot blue and Troll snot green. Then we mixed the PVA glue, the food colouring and a substance called Borax that basically makes glue stick to itself. When the mixture was ready they could be used as bouncy balls. We did some more experiments but too many to explain and it was a very fun afternoon.

Summer Club- 27/07/15- 07/08/15

We are still taking bookings. Go to our website and download a pack and return to Fusion.

The Junior children have had in house CEOP (child exploitation online training) and know how to stay safe online. They contributed to some great discussions and all got certificates.

New invoicing system

We have sourced a new accounts package which will allow e-invoices. The system will go live over the Summer, watch this space and bear with us if we have any teething problems.

Music Topic

Our Music topic for this Summer term has been a real success. Staff and children have thoroughly enjoyed it.

We have had musical art/crafts, musical themed cooking, we have sung and danced to our hearts content and had some amazing musical visitors and lots more musical fun.

September 2015 Topic is 'Around the World'.

We are consulting with the children and there are contributing towards the Autumn term plan. If you as a parent have any thoughts, suggestions or would like to visit then please get in touch.

End of Term

School closes on Wednesday 22nd July at 2pm. Fusion WILL collect your child in the usual way at 2pm and be operating normal closing hours. We offer the extra 1 hour 15 mins free of charge and a good will gesture.

On Tuesday 21st July, Fusion will operate from the Junior School building only. Therefore collection will be from the Junior reception.

Puddings

We now only serve fruit based puddings to comply with Food Standards Agency.

This maybe; fruit kebabs, fruit with yoghurt, fresh fruit, smoothies. There is no alternative pudding. There is a fresh fruit bowl available at all times.

We had our very first Environmental Health inspection and we of course received 5/5.

Keeping in touch

There are lots of ways for us to keep in touch.

Abby Wilkins

07796000413

In person!

We will always make time to speak to you at club!

ATTENTION

It is essential that you inform us by text, phone or email if your child/ren will not be attending club, as this is a requirement of our Safeguarding

Procedure. This may be due to open classrooms, going to friends for tea or illness. We would advise that when you inform the school, you also need to send us a message too. On collection if your child/ren is not present, we will have to phone you to establish their whereabouts. Please see our website for Fusion's 'Late, Uncollected and Missing Child Policy'.
