

Fusion Newsletter-JUNE 2015

Outstanding Quality Mark 2015- Pro-Action.

As you are aware Fusion went to Pro-Action's Award Ceremony. We received 2 certificates, flowers, a lovely hand made glass award and £1000 grant. We have conferenced the children and they suggested; paintballing, going to Cadburys World, America, Ice-skating and lots more. We have explored all these options (as much as we would love a Fusion trip to America, the grant will not stretch that far, so we will have an American themed day). We have decided that we will spend the money on visitors coming in, resources and an end of term treat.

We have Irie Steel Band coming to do a workshop on
Wednesday 10th June 2015

We also have Sublime Science coming in on Monday 29th June
2015 for a workshop.
