

Summer Term Menus

We usually have more 'picnic' style food for the Summer Term, but we, along with the children have decided that it is nice to have a break from the sun and being outside and therefore we will continue to have hot cooked meals throughout the Summer Term.

Over the past few weeks, we have tried new dishes and children and parents have provided us with feedback, thank you!

The menus have been carefully designed in line with both the Infant and Junior School's menus and the children's weekly intake of food. Our menus are available on our website. Please be aware that menus may change on the day without prior notification.

Every April we review all our policies to ensure they meet any new legislation and regulation and are still current and work in practice. Policies are available to look at from 1/4/17 on our website or at Fusion. Reading and understanding our Policies forms part of your parental agreement.

Junk modelling- any spare recycling, please send our way. Thank you!
