## Fusion App

We now have a Fusion App- you need to follow the link on our website or Facebook to download it. The App will be used as another way to communicate with you and will be used for important information like the arrangements at the end of term and if we need to change sites. It has our price list on and contact numbers too.

The App will not be used to display children's work, we will continue to use the Website and Facebook for that. We would love to hear your views about the App.

## Ramps- Helmets

If your child would like to play on the scooter ramps, a helmet must be worn. We will be fundraising to purchase helmets, however in the meantime, please bring one in.

## Junior House Captains and Election

The Junior children came and asked if each house could have house captains that they nominate. They suggested that with the general election, we could hold our own Fusion mini election. The elections are well under way and we will announce the house captains on the parent's board. The house captains will get a badge.

## Silver Ambition Award

Fusion have started to work towards our Silver Ambition Award after the successful completion of Bronze.
