Collecting children

Please remember that you must enter and leave through Fusion's main entrance for safeguarding purposes. If you come through the playground using one of the gates, you cannot gain access through the classrooms and this needs to be done via Fusion's main entrance.

New menus- please see on the parent's notice board at Fusion or on our website. We work very hard to ensure each meal is nutritionally balanced and in line with children daily allowances.

Emerald

We are lucky that Emerald is continuing her every other Tuesday sessions with us and has some great themed dances planned in line with our Around the World topic.

Hoola Hoop

Unfortunately, the Hoola Hoop Man has had to cancel all the sessions due to Personal reasons. We are hoping to book some session in with him in the Autumn Term.

Policies

All policies and procedures were updated on 01/04/16- please take a read. All policies are available to view on our website or hard copies are available on site at Fusion.

DJ JOHN

DJ John came in on Thursday 21st April and did a DJ session for all of us- we loved it. We are very excited to be working with DJ John for the next term. He will be teaching year 4,5,6's how to DJ and mix. The children will be learning skills between now and the end of the Summer term and will work towards an end of term performance. They will also be exploring music from Around the World. Please have a look on our Facebook page to see our videos.

Silver Ambition Award

We are thrilled to inform you that we have passed our Silver Award. Fusion staff will be attending and awards ceremony in June to receive our certificate.

Some of the feedback from Ambition;

"A brilliant effort again by Fusion. Their portfolio have been a joy to assess. A full Pass awarded"

"It is brilliant to see quality evidence of so many educational activities – Fusion really does excel in this."

"The organisation demonstrates a very clear commitment to inclusivity across its practices. This is a real strength for the group and the activities offered are excellent examples of how children explore equality and diversity."
