New Children and Families

A somewhat belated welcome back after the Christmas break, I think we have just about caught up with everyone. All of our new families and old have settled back and we are in full swing for the busy Spring Term 2018.

Caitlin joins the team

We are sure you have all met the lovely Caitlin, our new full-time member of staff. Caitlin has huge amounts of experiences and knowledge in childcare and we are very lucky to have her. Please make her feel welcome.

Lost Property

We would just like to remind you that the children are responsible for their own belongings. EVERYTHING must be named, otherwise you may not be reunited with your lost item. If Infants is named, we will put it in their classroom and the same for the Juniors. If not named, but a Junior item then we will put in Junior lost property.

January = Artist Month

We have been very busy getting creative for Artist month. We had the very talented Kate, a local artist visit us and she taught us how to draw feathers, we had the amazing Ami and Kelly local Graffiti artists, who taught us all about Banksy and how to do Graffiti. We also had a visit from the fabulous local Face painter Glynn who not only face painted some of us but also spoke about Supershoes a charity that she is involved in. We will be fundraising for Supershoes soon, so keep your eyes peeled. We also had the lovely Jo visit us, who told us all about her passion and inspiration which is the sea and she showed us all her wonderful creations. We have also looked at famous artists, such as Arcimboldo, Alexander Calder, a sculpturist, Carl Banks- a cartoonist. Nigel Parkinson- Illustrator of the Beano comics and many more.

February= Musicians

Alongside looking at Chinese New Year and Valentines we will be looking at Musicians, past, present and future and will be remembering some great legends. If you have anything that could aid us in this topic then please bring it in. Thank you very much!

Donations

If you are having a Christmas clear out or just a general clear out, we would appreciate any donations. Thank you very much.

Life Skills

We have been working on teaching children practical skills that would be beneficial in later life. A group of children each day (where possible) are responsible for creating the vegetable platters for dinner, preparing and cutting the vegetables. This has become a permanent feature in our daily sessions. Also a group of Junior children every day are chosen to be responsible for setting up the tables and helping clear away after. All children will be having a go at this.

Happy
Half Term
to you
all!! Have
a good
one!
