Next term:

Following on from the children's surveys we have decided not to have a set topic as we will be outside a lot having free play, but if children are particularly interested in something then we can plan activities to suit them.

We will be trying out new sports such as discus and javelin and of course celebrating festivals and special days.

We are celebrating England/London/Queen/St George's Day when we get back after Easter, so if you have any related items, we would love it if you could share these with us. Thank you.

Can you help us?

Games/toys/equipment:

We have been very lucky as a few families have kindly donated old games/toys to us and even bought us some new games, so thank you. If you are ever having a sort out, please think of us!

Spare school clothes:

If you have any spares, we would be very grateful for any. If you have any of our clothes, please could you return them to us as we are running out.
