Behaviour Code:

At Fusion we aim to create a happy and welcoming environment where all children feel safe and valued. Our behaviour code has been created in this ethos.

We frequently refer to the Behaviour Code at Fusion and our Monkey Behaviour Tree, we also ask that you share and discuss it with your child/ren prior to them starting with us.

- We will be kind to each other in what we say and do.
- We will help each other.
- We will have good manners, be polite and respectful to everybody.
- We will keep noise to an appropriate level, environment dependant.
- We will listen to each other and staff, especially when they are giving instructions.
- We will behave in a way that shows respect to the teachers and school staff who may still be working.
- We will respect our environment, toys and equipment
- We will only go outside with an adult.
- We will be responsible for our name tag
- We will be responsible for wearing a high-vis jacket outside
- We will stay in sight of staff at all times.
- We will keep things tidy.
- We will not touch electrical equipment or plug sockets.
- We will not touch the security buzzer on the entrance doors
- We will not sign ourselves out
- We will not answer or use Fusion mobiles.

If a child fails to follow the behaviour code the following action will be taken:

Completion of a Think Sheet -The child will be removed to a quiet space to complete a Think Sheet. (Independently or with adult support depending on the age and ability of the child). The form allows children to self-reflect upon their behaviour. A member of staff will then discuss what happened with the child.

3 strikes - If a child has completed three Think Sheets in a half term, this information will be shared with parents during a 1:1 meeting with and appropriate course of action agreed upon.

Temporary Suspension - If a child completes a Think Sheet on six different occasions in a half term then a decision will be made by the Management as to whether internal or external suspension would be a necessary action to take. There may be occasions where extreme negative behaviour warrants immediate suspension and/or exclusion. A 1:1 meeting will take place between Fusion and the parent/carer. Suspension and/or exclusion is not a decision that will be taken lightly and will always be a last resort.

Children **MUST** sign this, **NOT** adults
