**90% of you do not like doing your Homework at Fusion.**

**We do always have time and space for you to do your homework if you want to, but we understand you want to play and that is fine as it is your choice.**

There were not many suggestions, but here are the ones that were repeated.

Suggestion / request	Date that we will aim to achieve it by	Response / Action / Evidence
"More group games"	Autumn Term 2019	In our planning we will make sure there are more group games and a range of different activities.
"Make Fusion Longer"	-----	Unfortunately this is not something that we can do. You will just have to look forward to the next time you come to Fusion.
"Go outside more and have more free-play "	Autumn Term 2019	Now the weather is nice, we will be outdoors more and there will be more outside free play. We will be only having 3 ADA activities in the Autumn term and will see how this goes? And some days there will be a choice whether you want to take part or not

**Things you don't like:**

- **"Organised Activities"** - Sometimes we need to add organised activities in for structure but we do a range of free choice activities, and there is a lot of time for that.
- **"Nothing"** - This is brilliant to hear. Remember the suggestion box is always open if you can think of anything
- **"Doing think sheets"** - Think sheets are really important to show Reflection. Maybe have a think about why you get a think sheet and what you can do to improve your behaviour.
- **"Some Puddings"** - All the puddings are 50% fruit and unfortunately this can not be changed. We have a different pudding every day for 3 weeks so this should help. There is always just fruit available too.
- **"Loud noises"** - We really try and keep the noise down especially in the dining room. We use the buzzer, clapping and hands up but we will be thinking of alternative ways to reduce the noise

**FAVOURITE THING TO DO AT FUSION IS...**

- Free play
- Ball games
- Playing with friends
- Football
- Baking
- Parachute games
- Playing group games

**Your Favourite After Dinner Activity:**

- Art/Drawing/Colouring
- Free play
- Group games like corners
- Science Experiments
- Board Games
- Quizzes

**95% of children thought the art/craft at Fusion is good!**

**96% of children like the toys/games that Fusion provides**

**Thank you for completing a survey and thank you for your feedback and great suggestions.**

**Your favourite places to play are split 50:50 between the Hall and Outside**
