Hi everyone, my name is Aroona and I'm really excited to be joining the team at Fusion as a Play Assistant.

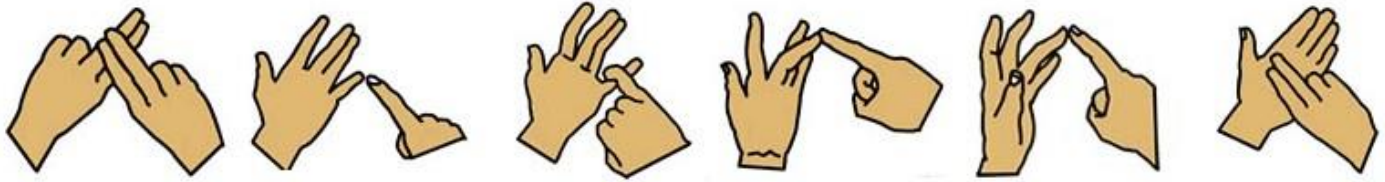

I'm extremely passionate about working for non-profits and voluntary sector and since graduating from university in 2017; I have completed two internships and recently worked at a youth charity.

At Fusion, I'm looking forward to utilising my experience in marketing and communications

My name is Rosie and I am currently studying Fashion Buying at the Fashion Retail Academy and before that I went to SJL. I also went to the Grove Infant and Junior School, where I also went to Fusion. So it will be pretty crazy working somewhere that I used to attend over 10 years ago. I am new to the team, however I am really looking forward to playing with the children as well as encouraging and supporting their learning.
