NEW COOK

We are pleased to say that the lovely Dionne has joined the team as a cook. Dionne loves cooking and has settled in well to the role. We think she's doing a great job -we hope you agree!

DARK NIGHTS

Now the clocks have gone back, it is a lot darker in the evenings. We are still going outside after dinner but using torches. Please ensure your child/ren attend school/Fusion with a coat every day and appropriate clothing.

CAR PARK

Noticeable improvement- Following our email a few weeks ago, we would like to thank everyone for being more considerate in the car park. It has been noticed that it is a lot safer in the evenings but please continue to be sensible. Just a reminder that you are NOT allowed to park in the car park for Breakfast Club.

LAST DAY OF TERM

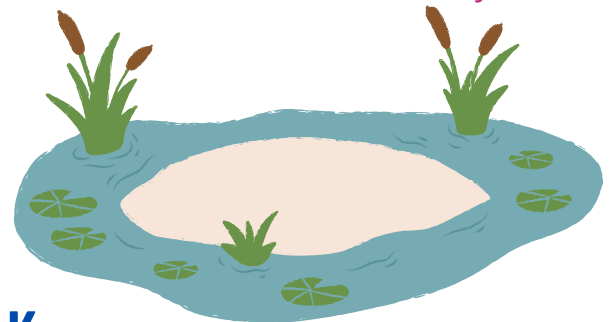

Fusion will open early at 2pm on Wednesday 21st December 2022 and collect your child/ren at 2pm with some Christmas party game.

If your child/ren will be attending on this date, then you will automatically be invoiced additionally for the extra 1hr 15 mins in accordance with our Sessional Policy. Please let us know if you're child will NOT be attending this day

FUSION ECO-POND

Fusion are building an Eco-Pond based in the Grove Infant and Nursery School.

We have secured some funding to make it happen but are keen to find out if anyone from the parent body would like to help us. If you can offer manpower for digging, expertise in pond building or resources to add, then we would love to hear from you.

LOST PROPERTY

Please, Please, Please, make sure everything is named and children are bringing everything home with them. We have a lot of Lost Property at the end of each session.

Children need to take responsibility for their own belongings and look after them. Unfortunately we are unable to go back into classrooms.
