

At Forest School we worked together to lift an enormous branch! Everyone enjoyed listening to “The Gruffalo” especially because Mrs Smith had hidden Gruffalo characters in trees!

Children enjoyed threading leaves onto sticks, making snakes to hide in a “log pile house,” playing with diggers....and running, lots and lots of running!! Thank goodness we had bananas and biscuits to eat at snack time!

Most importantly of all we had a lot of fun! When the children are happy, relaxed and confident they play and that is how they learn!
