

First half Autumn Term: Week Five (W/C 28th November 2022)

Topic: Christmas Colour: Yellow

In many homes Christmas decorations are going up and the children are enjoying re-enacting the process at Preschool. So many sparkling, twinkling decorations...and presents to wrap and unwrap.

We have started practising our Christmas songs!

One of the children has shown an interest in mixing "potions" so, today, we turned the tactile Table into a Potions Laboratory with a variety of ingredients with different textures and properties.
