

Look what we found in Southdown! Lots of smiles and giggles:  
Ho! Ho! Ho!

Everything looked so different covered in snow...and we even found our own "Snow angel!"

We kept busy, active and warm by playing on the soft play obstacle course.

Carefully, we walked to Walkers Court where we sang and danced for the residents. They enjoyed our visit and the gingerbread stars we gave them. We loved playing in their garden on the fresh snow!
