## THINGS YOU AREN'T A FAN OF....

- "Organised Activities" – Sometimes we need to add organised activities in for structure but we do a range of free choice activities, and there is a lot of time for that.
- "Doing Homework" - you are more than welcome to do reading/homework at Fusion but we will never make you, it's your choice.
- "Not sitting on the field at dinner" – you know you need to sit at a table when eating so you don't choke and adults can see.
- "Sitting Still" – We try and ensure that you are not sat down for too long but sometimes like the register you have to sit down for a few minutes for safety reasons.
- "Sometimes dinner" - Remember this is just a snack not dinner. We do our best to make everyone happy and will try to find an alternative but you need to let us know.

REMEMBER YOU CAN  
ALWAYS SPEAK TO AN  
ADULT AND FEEDBACK TO  
US, WE LOVE HEARING  
YOUR VIEWS AND  
OPINIONS.

## HOW CAN WE MAKE FUSION EVEN MORE FUN?

"more play time" - we try and have as much free playing as possible.

"Go to a fair!" - this is a good idea, maybe we could bring a fair to Fusion?

"Have more toys outside" - we take a lot of resources outside but if there is anything specific please ask and we can get it out.

"Pokemon Club" - we can have a pokemon afternoon once a month maybe?

"pizza everyday!" - we have pizza once every 3 weeks and you have it once a week at school!

90% of children prefer free play instead of organised activities. Sometimes we have to do organised activities due to space, but now we are outside more, there will be even more free play opportunities.
