SUGGESTIONS

"More Time outside"- We try and spend as much time as possible outside, after a suggestion last year, we now eat dinner outside after the Easter Holidays.

You have also suggested "more sport activities"- We tend to have more sports outside during the Summer Term such as archery, Rounders, Cricket but can ensure we are still having group sports outside in the winter, and if it's not out just ask!

"No After Dinner Activity"- We believe After Dinner Activities allows dinner to digest and the opportunity to have some quiet time before free choice commences but since we have been eating outside we have a wellbeing activity before.

100%

of children have enjoyed their time at Fusion and would recommend to their friends!

100%

of children think they are a good role model as they are kind and help others who are younger

WHAT HAVE YOU LEARNT AT FUSION?

- To hold a knife and fork
- To use scissors correctly
- How to be a good role model
- To include everyone in everything
- To be polite
- Look after younger children

CHANGES AT FUSION

- Being a House Captain was really fun
- Having a separate Junior club before dinner is good because we get our own space to do Junior activities.
- Going outside more and having more resources is much better.
