3. Be adequate, relevant and not excessive
4. Be accurate and kept up to date
5. Not be held for any longer than necessary
6. Processed in accordance with the rights of data subjects

- **Breaches of Confidentiality:** For instance, information being given out inappropriately. If a serious breach occurs, Fusion will notify ICO within 72 hours from becoming aware of the breach. We understand there is no allowance for weekends or bank holidays.
- **Failing to offer choice:** For instance, all individuals should be free to choose how Fusion uses data relating to them
- **Reputational Damage:** For instance, Fusion could suffer if hackers successfully gained access to sensitive data
- **Breach of Security:** For instance, allowing access to data by someone unauthorised

Responsibilities: Fusion Childcare Services recognise that there may be issues that arise which are sensitive and should not be discussed in an open forum. Management, Staff and volunteers are expected to maintain confidentiality about all issues relating to individuals, families, children and staff contracted by Fusion Childcare Services. Data Protection forms part of staff's induction.

There will be times when staff will discuss particular issues within a staff meeting or other meetings, but these are not to be discussed outside the meeting/setting. The Management will also discuss matters relating to staff and these discussions will also be kept to the confines of the meeting/setting.

Fusion recognises that personal information is given to us for specific reasons only and we take our duty of care regarding confidentiality very seriously. All records are kept confidential and secure on and off site.

Everyone who works for Fusion has a responsibility for ensuring data is collected, stored and handled appropriately. Each staff member that handles personal data must ensure that is handled and processed in line with this Policy, Data Protection Principles and Data Protection Registration Requirements.

Data will only be shared with third parties for the safety and well-being of the children in our care. We will only share information about a child/ren with outside agencies on a need-to-know basis and with consent from parents, except in cases relating to safeguarding children, criminal activity, or if required by legally authorised bodies (eg Police, HMRC, etc).
