REGISTRATION 2025-2026

Please note that Registration for September 2025-July 2026 is due out in May. We will be in touch with more dates and information regarding re-registration. Please note ALL families need to re register.

EASTER HOLIDAYS

Please note the Grove Schools close on Thursday 3rd April at 2pm.

Fusion will be operating from 2pm-6:15pm on this day. We will have our normal session, still provide food and normal activities, just have longer to play. If you would like your child/ren to attend Fusion for the extra hour and 15 mins then this will automatically be charged as an extension session and will be sent as an additional April invoice. Please let us know if your child/ren will/will NOT be attending, so we know whether to be expecting them.

SCREEN TIME

Following on from our 'Question of the Day' 80% of children have their own tablet/screen.

[Please see advice how to support your child with their technology and how it can support their learning.](#)

We were really impressed during Internet Safety Week the Juniors knew how to keep safe online and who to report any issues too.

SURVEY

Thank you to those parents/carers who took the time to complete our questionnaire at pick up before Half Term. We know parents/carers find it hard to complete a long survey each term, so instead we have our full Summer Term as well as little ones throughout the year.

If anyone has any suggestions of how we could collate feedback from parents we would love to hear.

EXCITING NEWS... FUSION HAS AN ALLOTMENT

We're very excited that Fusion has taken on an allotment plot on the Piggotshill site. This is to support children in understanding about the world around them and to grow produce that we can use at Fusion. We will be taking small groups to the allotment over the coming term and will start up an allotment group!

We would love some families to get involved too. If you are interested please speak to Abby and we can chat about how this will work. We would need to share the allotment rules with you. We will be looking at getting a rota set up over the holidays and weekends- we want this to be a Fusion Community plot and for all to get involved in and for the children to take ownership.

We hope in the summer a group of children will spend the majority of the session at the allotment and have an outdoors picnic for their dinner.

After all the outdoors is good for our wellbeing.

Helen, who is our qualified Forest School Leader will be leading on this project.

We will be speaking to the children over the next few weeks, so do ask them about it. We will be using the consent you gave on the reg pack to take the children off site.

WHAT HAVE WE BEEN UP TO IN FEBRUARY

BIRD WEEK

This week we have really enjoyed learning about birds and their habitats.

Did you know... Stresemann's Bristlefront (Possibly the World's Rarest Bird) is nearly extinct, which lives in subtropical or tropical moist lowlands in Brazil.

VALENTINES DAY

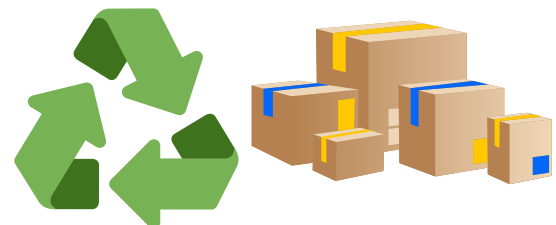

RAMADAN

JOBS

Do you have any recycling we can use as junk modelling? Please bring them in we would love to use them. One person's rubbish is another's treasure...
