## EXCITING EARLY YEARS NEWS

We are delighted to share some exciting news with you about Fusion Pre School and our Early Years Wrap Around. After careful planning with Ms Sharkey and the Governors we will be relocated to the self-contained Nursery building from September 2026.

We appreciate that this will be another move for Fusion, and we want to reassure you that this will be our final move. Having our own self-contained, permanent space means we can fully invest in the environment, embed our curriculum long term, and provide the very best early years start for the children in our care. This move gives us the stability and flexibility to grow, develop, and create a space that truly reflects Fusion, our values and how we support every child to thrive.

We would like to extend our sincere thanks to Ms Sharkey and the school governors for their support, careful consideration, and commitment in making this move possible. Their vision and backing have been instrumental in creating an arrangement that benefits both settings and enhances our shared early years provision.

Between now and over the summer holidays, we will be busy preparing the space and getting it ready to welcome the children in September. We will also be in touch over the summer holidays with full details about drop-off and collection arrangements, procedures, and any other important information you may need.

We would also like to take this opportunity to recognise our amazing Fusion staff. Their commitment, professionalism, and continued enthusiasm, especially through yet another move, has been truly outstanding. We are incredibly grateful for their positivity and dedication, which ensures our children always remain at the heart of everything we do.

Thank you, as always, for your continued support. We are incredibly excited about what lies ahead and look forward to this next chapter with our Fusion families.
