Behaviour Code for Children:

At Fusion we aim to create a happy and welcoming environment where all children feel safe and valued. Our behaviour code has been created in this ethos and will vary depending on age and ability. We frequently refer to the Behaviour Code at Fusion and our Monkey Behaviour Tree, we also ask that you share and discuss it with your child/ren prior to them starting with us. The children designed the below:

F – Fun, friendly and a big family

R – Respect resources, equipment, each other, ideas, faiths and beliefs

U – Use our words

U – Uniqueness, everyone is different, and we celebrate this.

S – Self registering is one of our responsibilities

L – Listen to everyone

and is very important

E – eating, excellent table manners & try new foods.

I – Include everyone in everything we do

S – safety, we keep ourselves, others at Fusion safe and secure

O – Outside we must have a high vis jacket

N – Never be afraid to speak our mind.

- We will be kind to each other in what we say and do.
- We will help each other.
- We will have good manners, be polite and respectful to everybody.
- We will keep noise to an appropriate level, environment dependant.
- We will listen to each other and staff, especially when they are giving instructions.
- We will behave in a way that shows respect to the teachers and school staff who may still be working.
- We will respect our environment, toys and equipment
- We will only go outside with an adult
- We will be responsible for wearing a high-vis jacket outside
- We will stay in sight of staff at all times.
- We will keep things tidy
- We will not touch electrical equipment or plug sockets.
- We will not touch the security buzzer on the entrance doors
- We will not sign ourselves out
- We will not answer or use Fusion mobiles unless an adult says we can.

If a child fails to follow Fusion’s Behaviour Code the following action will be taken: a chat/ restorative debrief with the child in a quiet space and a time out if necessary. A member of staff will then discuss what happened with the child, this will be age and developmentally appropriate. When a child’s behaviour has been actioned, it will be shared with parents/carers, supporting our working in partnership with our families and we will work together to resolve matters.

If a child fails to follow Fusion’s Behaviour Code the following action will be taken: Completion of a Think Sheet -The child will go to a quiet space to complete a Think Sheet. (Independently or with adult support depending on the age and ability of the child). This allows children to self-reflect upon their behaviour. A member of staff will then discuss what happened with the child. When a child completes a ‘think sheet’ it will be shared with parents/carers, supporting our working in partnership with our families and we will work together to resolve matters.

Signed by the child. If not able to write, then a squiggle is acceptable, but please make sure you have spoken to your child/ren about the code.
