### FAVOURITE GROUP GAMES

### HOW CAN WE MAKE FUSION EVEN MORE FUN?

"More ice lollies and treats" - we have ice lollies when the weather is nice as a special treat but can't do this regularly. We follow healthy eating scheme like at school so we need to make sure this is happening.

"More play time" - we love that you like playing but some times we have to stop play for reasons such as dinner time, home time etc. We have tried to ensure you get the maximum play time such as doing a visual register rather than sitting everyone down together.

"Video games at ASC" -We understand you want to 'chill' when you get to Fusion but we have lots of other activities. Why don't you save this for when you get home or at the weekends.

"Let us play on the Junior play trail"- you get to play on this at school time and Fusion staff are not trained on it. We have lots of play equipment at Fusion you can use and have recently brought the skateboards and ramps after a suggestion.

"More trips to the allotment!" - We are so pleased you enjoy your time there. We try and do as many trips as we can but will try and ensure we do more! We have been trialling eating dinner at the allotment to maximise your time and think this is going well.

REMEMBER YOU CAN ALWAYS SPEAK TO AN ADULT AND FEEDBACK TO US, WE LOVE HEARING YOUR VIEWS AND OPINIONS.

### STAFF

YOU LIKE THE STAFF AT FUSION BECAUSE THEY ARE ...  
"KIND AND FUN, TALKATIVE,  
NICE AND POLITE AND PLAY WITH US"

### HOUSE POINTS

A lot of children like earning House Points - Reminder, everyone is in a house and we earn house points for being kind, helping others and being a good friend. Some houses have recieved the most amount of points and chose...

Sherwood -Design your own Ice cream  
Aldwick - Doughnuts  
Cranbourne - Mocktail making!  
Can Meadway win the Summer Term treat?

Our new House Captains have just been voted for for September 2026..
